

Calling all Volunteers!

Narragansett Bay Workcamp
June 29 – July 5, 2008

The 2008 Narragansett Bay Workcamp needs your help!

If you are a youth or adult involved in an organized church youth or adult group

(ex. Youth Ministry, Confirmation class, Women's Guild, Knights of Columbus)

or a member of a school committee or after school program, college club/organization, or business community relations department -

**Please consider sharing your time, talents, and treasures
to "LOVE OUT LOUD" and make this an amazing transformational week.**

Up to 400 adults and teenagers will be coming to the Narragansett Bay area this summer to improve the homes of residents in the South County community. The Workcamp will provide fee home repair through The Group Workcamp Foundation program sponsored locally by St. Bernard's Church. As many as 60 local residents will benefit from the work of these volunteers. The volunteers will be sleeping at Davisville Middle School. This is a massive undertaking that requires many volunteers. Won't you consider showing how you can "Love out Loud" with us!!

Check out the many ways your group can volunteer to help!

- ♥ Distribute Home Repair Applications to local needy agencies or families in our target areas (North Kingstown, East Greenwich, Jamestown, Exeter, Narragansett)
- ♥ Organize a fundraiser to help defray the costs to hosting the Workcamp
- ♥ Join the Welcoming Crew and help create a warm welcome to the campers on Sunday as they arrive. We are in need of a team of decoration/sign makers and groups of volunteers to serve our RI style lunch (clam cakes & chowder) between the hours of 11am-3pm.
- ♥ Be the team to create Welcome bags for each camper (total: 400). We will be collecting RI represented trinkets and putting them together in a T-shirt bag. We are in need of teams to volunteer to create the bags out of a T-shirt (scissors and sewing machines needed). Or help stuff the bags, about a month before camp.
- ♥ Adopt a snack shift throughout the week. Snacks are served at 3-4:30pm, as the campers are arriving back from the worksite and at 8-9:30pm, after evening program. Your group would be responsible for confirming/creating the snack and the volunteers to set-up, hand-out, and breakdown the table during that shift.
- ♥ Create "HEART" felt Thank you PIN for all campers, volunteers, residents, and sponsors.
- ♥ Assist with the Ladder crew. We are in need of groups to commit to identify and borrow ladders (total : 75) from local neighbors and friends, during the week of camp. You will work with our Materials crew leader to label them and delivery to the resident's home. People with trucks are encouraged to sign-up.
- ♥ Join the clean-up crew to assist with trash/debris removal from worksites to designated trash dumps, during and after the week of camp. People with trucks are encouraged to sign-up.

Come & "Love out Loud" with us, this is something you will not want to miss out on.....
